Barriers to learning at our school

Typically the children at our school face the following barriers to learning:

- Learning Behaviours – lack of resilience, confidence and endurance
- Low aspirations
- Social and emotional behavioural difficulties

We will ensure that our allocation of Pupil Premium spending addresses these barriers directly to ensure that it represents value for money.

Accountability

The Headteacher and Senior Leadership Team will regularly and rigorously monitor, evaluate and review the strategies we have put into place for Pupil Premium funding. An audit of impact is completed at the end of the academic year and all updates are shared with the Governing Body.

The Sutton Oak CE Primary strategy for effective use of Pupil Premium funding can be seen in the table below:
