Pupil Premium Expenditure

Pupil Premium Report to Parents September 2018

Overview

The Pupil Premium was introduced in April 2011, and paid by means of a specific grant based on school census figures for pupils registered as eligible for FSM in Reception to Year 11. For looked after children the Pupil Premium was calculated using the Children Looked After data returns (SSDA903). A premium has also been introduced for children whose parents are currently serving in the armed forces. This service premium is designed to address the emotional and social well-being of these pupils.

The Pupil Premium is additional to main school funding and it will be used by this school to address any underlying inequalities between children eligible by ensuring that funding reaches the pupils who need it most.

Objectives for Pupil Premium in this School:

1. The Pupil Premium will be used to provide additional educational support to improve the progress and to raise the standard of achievement for these pupils.
2. The funding will be used to narrow and close the gap between the achievement of these pupils and their peers.
3. As far as its powers allow, the school will use the additional funding to address any underlying inequalities between children eligible for Pupil Premium and others.
4. We will ensure that the additional funding reaches the pupils who need it most and that it makes a significant impact on their education and lives.
5. Allocation of Pupil Premium funding will reflect our core Christian values.

School Policy

The Headteacher and governing body have agreed a policy for Pupil Premium to guide the use of funds and to ensure that it represents value for money.

Accountability

The Headteacher and Senior Leadership Team will regularly and rigorously monitor, evaluate and review the strategies we have put into place for Pupil Premium and report to the governing body on its progress and impact.

Statistics

- In 2017/18 our school had 52% of pupils who were entitled to benefit from the additional funding.
- Each entitled pupil received £1320.

Summary of evidence from the evaluation of the impact of the Funding:

Year 1 Phonics Check:

- 74% of Pupil Premium children achieved the expected standard compared to 63% of non-Pupil Premium children.

End of Key Stage One:

- There were 18 pupils entitled to Pupil Premium funding in this cohort.
- The table below shows the percentage of 'Disadvantaged' children achieving the 'Expected' standard or above in Reading, Writing and Maths compared to other pupils.
- The gap between our 'Disadvantaged' pupils and other pupils has narrowed significantly this year.

	Disadvantaged	Other Pupils
% of Disadvantaged Pupils achieving the 'Expected' standard in Reading	56%	56%
% of Disadvantaged Pupils achieving the 'Expected' standard in Writing	50%	56%
% of Disadvantaged Pupils achieving the 'Expected' standard in Maths	56%	68%

End of Key Stage Two:

- There were 27 pupils entitled to Pupil Premium funding in this cohort.
- The table below shows the percentage of 'Disadvantaged' children achieving the 'Expected' standard or above in Reading, Writing and Maths compared to the Local Authority average
- Results for our 'Disadvantaged' pupils are significantly better than they were last year in Reading and Maths.

	School	Local Authority
% of Disadvantaged Pupils achieving the 'Expected' standard in Reading	74%	63%
% of Disadvantaged Pupils achieving the 'Expected' standard in Writing	48%	67%
% of Disadvantaged Pupils achieving the 'Expected' standard in Maths	70%	60%

Summary:

In the first seven years of the additional Pupil Premium funding the evidence gathered through the school's self-evaluation strategy has shown that intervention strategies have been very successful and that they have had a very positive impact on the progress, standards and achievement of those pupils entitled to the additional funds.
