

EQUALITY STATEMENT

Sutton Oak CE Primary School

In an ever-changing world - where children and young people have the right to be themselves - the children and staff are committed to embedding inclusion and empathy through education. We all make a difference by respecting each other's differences and celebrating diversity in one another, our families and the wider school community. Our goal here at Sutton Oak CE Primary School is to reject negative stereotypes, embrace positive role models and appreciate our school family and its diversity. Our vision is to build a school community where everyone feels valued, respected and loved as God's children - in an environment where everyone can grow and learn.

Believe, Achieve and Grow Together in Christ
